## Notice to Students

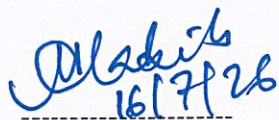

It has been observed that many students are not attending classes regularly. As a result, faculty members are facing difficulties in completing the prescribed course contents within the scheduled timeframe.

As you are aware, BUBT is preparing for **BAC** and **BAETE** accreditation. Therefore, it is essential to complete all course contents on time and maintain accurate attendance records as part of the academic requirements.

In this regard, all students are hereby instructed to attend their classes regularly and punctually. Regular class attendance is essential for your academic progress and for ensuring the successful completion of the semester activities.

In case of repeated absence, initially the concerned student will be asked for justification. After continuation of further absence, it shall be informed to the respective guardians to ensure academic excellence and maintaining academic integrity of their children performance.

Your cooperation in this matter is highly appreciated.
